

Autophobia

Whatever you say (x2) babe
Whatever you say...
You're wrong

It's not your fault (x2) you know
I'm always fucking down

Oh baby please
Don't blame it on me

Don't be so sad (x2) yeah babe
I don't wanna see you cry

It's on you now (x2) you know
(You) don't need to say goodbye.
