

## Degeneration

### Verse 1

I don't want you  
I don't need you  
I'm doing well  
Alway, always

I'm still a young man  
with emotions  
My dying breath ?  
No way, no way

### Chorus :

Degeneration (x4)  
Com'on !!!

I want to fuck it up

### Verse 2

I don't want you  
I don't need you  
I just told you  
Everything is under control

You don't care of what i'm feeling  
Don't fuck with...  
My brain... My brain

### Chorus :

Degeneration (x4)  
Com'on !!!

I want to fuck it up

### Bridge :

I don't want you  
I don't need you  
I fear you  
I hate you...  
Degeneration

Degeneration  
I want to fuck it up !

### Chorus :

Degeneration (x4)  
I want to fuck it up!!!

### Solo

### Chorus :

Degeneration (x4)  
I want to fuck it up!!!
