

Who am I ?

Verse #1 :

I use to feel so many emotions but I think I can't show them
Sometimes I feel helpless and lost
So I wonder who I am

I used to be no one
So alone
Nobody cares about myself
No love to share, no hand to hold
Oh fuck I'm sure I'll die alone

I wanna be someone who would never be forgotten
I'm sorry if one day I give up
With my six gun... and death...

Chorus :

Tell me who I am
Tell me what I am
Tell me who I am
Tell me what I am

Verse #2 :

Sometimes I feel helpless and lost
So I wonder who I am
I use to feel so many emotions but I think I can't show them

I used to be no one
I'm so alone
Nobody cares about myself
No love to share, no hand to hold
Oh fuck I'm sure I'll die alone

I wanted to be someone who would never be forgotten
I'm sorry if one day I give up
With my six gun... and death...

Chorus :

Tell me who I am
Tell me what I am
Tell me who I am
Tell me what I am

Solo

I used to be no one
(I'm) so alone
Nobody cares about myself
No love to share, no hands to hold
Oh fuck I'm sure I'll die alone

Chorus :

Tell me who I am
Tell me what I am
Tell me who I am
Tell me what I am
Tell me why I feel so alone again

Tell me why I am not like you, oh !
Tell me who I am
Tell me what I am
