

The cheater

Verse 1 :

You said
You're tired of me
You're sick of me

I know
It's all my fault
I failed in my duty

Chorus :

But you can't leave me now (leave me now)
No you can't leave me now (leave me now)
No you can't leave me now (leave me now)
Oh no...

No you can't leave me now (leave me now)
No you can't leave me now (leave me now)

Gimme one chance to fix my mistakes
Oh baby, I swear I'm gonna change

All right !

Verse 2 :

Don't cry
Just let me explain
No I'll never do it again

I'll do
Anything for you
I wanna please you

Chorus :

But you can't leave me now (leave me now)
No you can't leave me now (leave me now)
No you can't leave me now (leave me now)
Oh no...

No you can't leave me now (leave me now)
No you can't leave me now (leave me now)
Gimme one chance to fix my mistakes
Oh baby, I swear i'm gonna change

All right !

SOLO

Chorus :

..... (leave me now)
..... (leave me now)
..... (leave me now)

No you can't leave me now (leave me now)
No you can't leave me now (leave me now)
Gimme one chance to fix my mistakes

Oh baby, I swear i'm gonna change

All right !
