

Chorus :

Talking shit
You make me sick
Rot in hell !

Talking shit
You make me sick
Rot in hell !

Verse 1 :

Your utopian world is collapsing
Are you really that blind ?
Oh Yeah, my so-called friend
Your brain has started to shrink...

(It's) too late to ask for help !
(It's) too late to ask for help !

Chorus :

Talking shit
You make me sick
Rot in hell !

Talking shit
You make me sick
Rot in hell !

Verse 2 :

Nice speech but out of date
What's wrong with your mind ?
When the hell will you realize (that)...
Your boat has started to sink

(It's) too late to ask for help !
(It's) too late to ask for help !

Chorus :

Talking shit
You make me sick
Rot in hell !

Talking shit
You make me sick
Rot in hell !

Rot - in - hell - you - bitch !
